

Welcome

Your Fellowship number is: 8227797

Dear Bharathi,

From the original 11 who met at a London coffee house in 1754 to the global network of 30,000 we have today, RSA Fellows have been at the forefront of social change for over 260 years.

Welcome to the RSA

Being a Fellow is, first and foremost, about supporting the RSA's vision so I would like to begin by thanking you. It is people like you who make all of our work possible.

Whether it's offering rewards for the reduction of smoke emissions (1770) or recording the first use of the word 'sustainability' in an environmental context (1980), we've had an immense impact on the world. We remain committed to creating a future that works for everyone. You are now a part of our community - and our story.

As a new Fellow, our Fellowship Team will be in touch over the coming weeks to help you get started. Look out for the following emails:

1. Connecting with your new network
2. The RSA in your area
3. Unlock ideas and join the debate
4. Help develop solutions to social challenges

This is the beginning of your Fellowship journey and what we hope will be a long-lasting and meaningful relationship with the RSA.

Thank you once again, and congratulations on becoming a Fellow.
